Room 1239, New State Building

Dear Henry:

In accordance with the request in your letter of 10 July 1984 (copy enclosed), we have again reviewed the eight items which you cited from the manuscript Foreign Relations of the United States, 1955-57, (old) Volume IX, "South Asia and Africa." Your query concerns the South Asia portion, now redesignated as Volume XXI, South Asia." We have coordinated this review with the Directorate of Operations.

In the case of Items 14, 16, 19, and 25, we concur in your proposed changes exactly as stated in your letter. In the matter of items 15, 17, 31, and 37, which involve NIEs to which only Air Force concurrence to declassification was needed for release, we can report that Air Force concurrence recently has been obtained so that those four NIEs are now declassified and therefore available for publication in the FRUS.

Sincerely,

Chief, Classification Review Division  
Office of Information Services
